

CT Scan – Lab Instructions:

- You have been scheduled for a CT scan with contrast in our office. You need to have a **Creatinine w/GFR** drawn prior to your test date. We have arranged to have this done through LabCorp.
- Please have your Lab drawn ***within 7 days*** of when your CT Scan is scheduled.
- You do not need to fast before your lab.
- You do not need to schedule an appointment to have it drawn.

LabCorp

5340 South Street, Suite 100
Mon – Fri 7am-6pm, Sat 8am-12pm

LabCorp

At Bryan Medical Plaza
1500 South 48th Street Suite 414
Mon – Fri 8am-5pm

If you would like your lab drawn at a location other than LabCorp, please contact our office at 402-483-8600, Option 3.
